

Cost of Pet Ownership

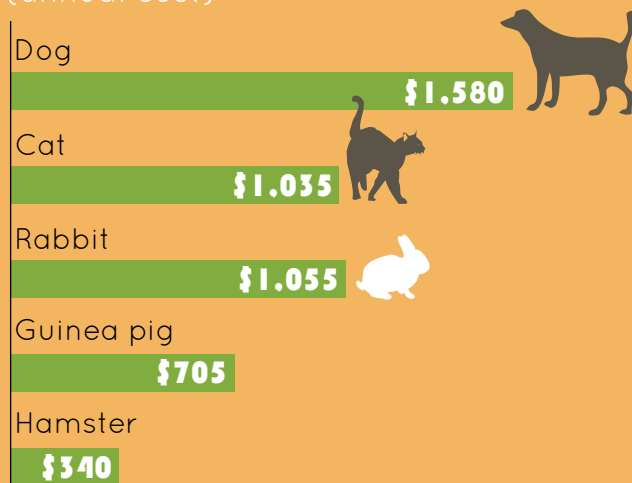

According to the American Pet Products Association, the pet industry brought in \$60.6 billion in 2015. Take a look at how your furry friend's expenses can add up.

Spending in Billions

Ranking of the most expensive pets (annual cost)

What pet owners spend on

54% of owners buy gifts for their pets on holidays and birthdays and spend about **\$5 billion** in the process.

\$389 million of that is spent on pet toys alone.

Pet owners spend **\$389 million** on medicine each year.

And spend **\$166 million** on pet grooming.
