ANIMALS SCHMANIMALS

Who says humans should have all of the fun? At Animals Schmanimals's you'll find a wide selection of products for the animal kingdom, but there's one big difference: The name of the product rhymes with the name of the animal it was made for. So don't ask for "winter handwear for baby cats," ask for "kittens' mittens." Fair enough? Fill in the boxes to name them.

- 1.** A birthday dessert for your python

- 3.** Clear soup for slow-moving mammals

- 2.** Swimwear for smelly polecats

- 4.** A fruit-filled pastry for fluffy French dog

Answers:
 1. Snake Cake
 2. Skunk's Trunks
 3. Sloth Broth
 4. Poodle Strudel
